

VARNER — FARMS —

BREAKING POINT

Date of Birth: 04/26/2014
Registration 1: Pending
Breeder: DCCI

Courtesy of Varner Farms, LLC

He lost 4" of horn, but he has plenty of horn left as you can see. His weight at 6/11/2016 was 1485 lbs. Not a light weight for sure so we are looking forward to some big bodied, colorful cattle from this guy. Thanks to Joe Sedlacek at Lazy J Longhorns for selling us this bull.
